

CS 111 Opening Day Survey

1. Gender: F / M
2. What do you use a computer for?
3. If you own a computer, please describe it.
4. If you have ever previously used MicroSoft Word (or some other document processor), to write a paper, what “exotic” features did you use? (eg. graphics, multicolumn, etc).
5. Have you ever used PowerPoint (or something like it) for a public presentation?
6. Have you ever built a spreadsheet? For what?
7. Have you ever built a database? For what?
8. Have you ever built a web page? For what?
9. List 3 or more things a Computer Scientist might do during a workday.
