We are seeking original submissions for presentation in a Work in Progress (WIP) session at the 2015 Summer Simulation Multi-conference (SummerSim ’15). These papers should present work that is currently in progress or not quite ready for full-length articles.

Student papers are especially welcome as this track provides an excellent forum for graduate students to present and get feedback for thesis, project or dissertation work. All papers will undergo a review by the Symposium Chairs and accepted papers in this track will also be published in the SummerSim ’15 conference proceedings.

**Topics**

Paper submission for SummerSimWIP’15 is encouraged in any modeling and simulation related areas including but not limited to the below:

- Discrete Event Modeling and Simulation
- Modeling and Simulation of Multi-agent Systems

- Numerical Simulation and Optimization as Applied to Business and Industry
- Use of Modeling and Simulation in the Area of Computer Security
- Modeling and Simulation in the area of Neural Networks
- Any Aspect of Modeling and Simulation related to the Military Modeling, Analysis and Simulation of Telecommunication Systems
- Web-based Modeling and Simulation
- High-performance Computing and Simulation
- Network/Internet Traffic Modeling and Workload Characterization
- Simulation Languages, Tools, and Environments
- Simulation of Parallel Systems, Distributed Systems and Databases
- Simulation of Clusters, Grids and Wireless Systems
- Simulation of Multimedia Applications and Systems
- Modeling and Simulation of Real-Time and Embedded Systems

**Deadlines**

**Paper Submission deadline – May 15, 2015**

**Submission Guidelines**

For the Work in Progress track, prepare a 4 to 6 page paper using the Paper Formatting Guidelines for the conference. Each paper must have the designation “SummerWIP” in the title. All final paper submissions are to be made electronically to SCS via the SCS Conference Proceedings Management System: [http://www.softconf.com/scs/SCSC15/](http://www.softconf.com/scs/SCSC15/).

SummerSimWIP would like to get back to the authors with decisions within a week of final submission deadline. If you are planning to submit a paper, please submit an abstract immediately so that we can line up reviewers for your papers.
